

Walking Hunt 2023

Langport 2023

This year's challenge for the walking hunt is to venture to the lovely historic Somerset town of Langport and create a panel of 10 images, to be judged by us in December. Distance from Chard to Langport is approximately 16.5 miles and there are plenty of parking spots. Please walk a distance you are comfortable with.

We have decided to add a little twist on it this year Your task is to take 5 images of your choice as is the usual, along with 5 images to include the following subjects/categories

- A. Water or Reflections
- B. People
- C. Looking up
- D. Symmetry
- E. Frame it

These images are to be entered as seen, with no post processing except for cropping. Mono images will be accepted.

All images must be submitted in accordance with the usual specifications: JPEG format, sRGB colour space, resized to 1600 x 1200, and labelled with your membership number and letter A to J. The first 5 images will be the subjects/categories A to E as above.... so for example: for member 99 the first image must be labelled

099_A_Water or Reflections

and the second

099_B_People

and so on to E. F to J would be labelled for example:

099_F_Your optional title

and so on.

Judging will be on each image and receive a score out of 20. We will give a bonus point for our favourite takes on the first five specified categories.

The deadline for entries is the 16th November 2023, ready to be judged on 7th December 2023 (Please check the website or Facebook page for any changes)

Members please remember you don't have to do it all in one day or a specific day, or time of day ; it's totally up to you. You could even team up and car share; the choice is yours. Most importantly, please just have fun 😊
