

2024 Roving Hunt

Start your journey by taking 2 photos in Chard.

Then leave Chard on the A358 making your way to Axminster and Take 2 photos in Axminster.

Return to your car and make your way to the roundabout at the bottom of the town (Pets at home are on the left-hand side), turn left heading for Seaton on the B3172. Continue along this road heading for Musbury.

At the crossroads in Musbury there is a garage on your left and a turning for Whitford on your right, Turn right for Whitford and Lyme Bay Cider along Whitford Road.

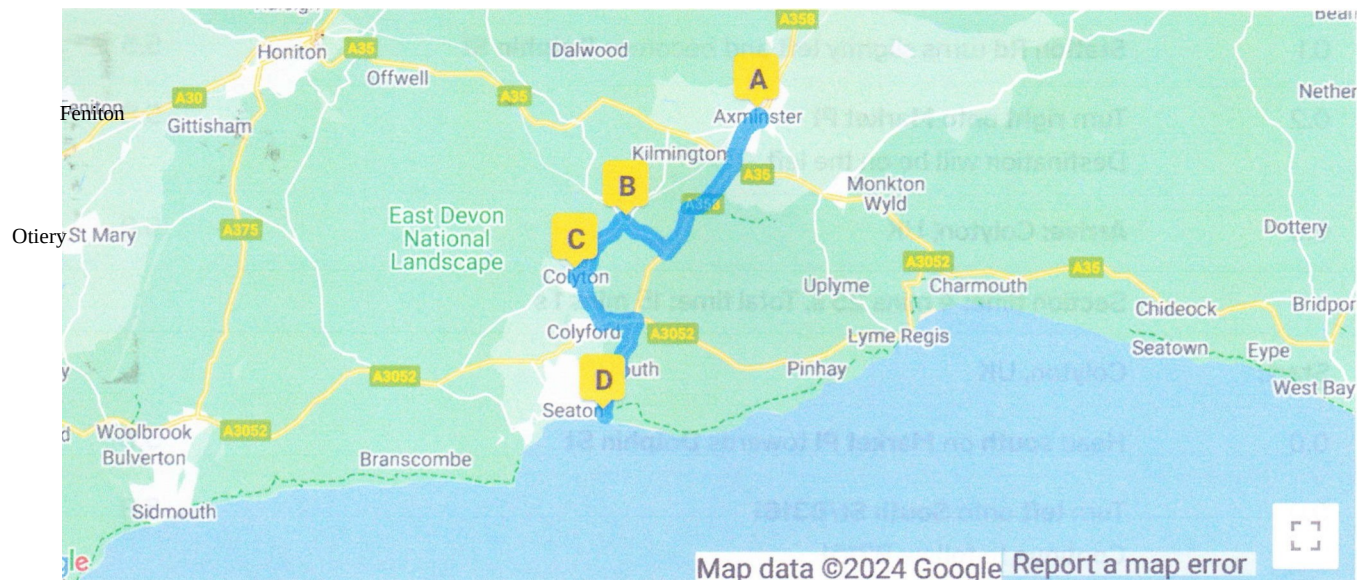

Continue along this road going over Whitford Bridge and carry on through the village until you see a left hand turn for Colyton.

Turn left for Colyton and continue into the village.

Upon entering Colyton turn left into Station Road and make your way to the tram station and take 2 Photos. Return to your car and return down Station Road and turn left heading for Colyton village and the car park which will be on your left-hand side. (When we were there this car park was free on Sundays)

Take 2 photos and then return to your car and turn left out of the car park going up the hill. At the junction turn left and continue along road to meet the main road (A372) turn left heading for Seaton going over the tram lines.

Turn right for Seaton. At the next junction turn right onto the B3172 now heading towards Axmouth. Carry on through Axmouth village heading for Axmouth Harbour. Park up and take 2 photos.

Images must be Jpegs, no larger than 1600 pixels (width) x 1200 pixels (height) in landscape and no taller than 1200 pixels in portrait. Images can be colour or monochrome. No digital manipulation allowed, although the images may be `cropped`.

Entries should just contain your membership number 0.._A_Title for the first dpi (A & B Chard, C & D Axminster, E,F,G & H Colyton ,I & J Axmouth)

The round trip is about 27 to 38 miles in total.

Enjoy your trip now return home.
