

# Walking Hunt 2025

This year's walking hunt has been set to visit the charming seaside town of SIDMOUTH and as most of you know by now, there will be a Bex and Lorraine twist again (sorry 😊).

This is approximately a 46 mile round trip if you are travelling from Chard.

Your task is to create a panel of 10 images of this interesting town to show us your own take Of Sidmouth.

The first five images will be the categories that we have picked for you A to E and the last five F to J will be your own choice, please do remember that these images must show us Sidmouth!

Image A - Street food

Image B - Something old

Image C - Typical seaside scene

Image D - Something with Words

Image E - Entertainment

images F, G, H, I and J are your choice but must show they have been taken at Sidmouth!

All of the images entered must be 'as seen', so no post processing is allowed except for cropping and we will only be allowing 2 images of the set to be in Mono form this time.

Please submit images in accordance with the usual club specifications ...resize 1600 x 1200, jpeg format and sRGB colour space and 300dpi. (Please see the club's website for details of how to do this or ask a member for help if you need to)

Please label with your membership number followed by letter A - J the first 5 images are categories A - E as above

So for example .... For member 99, the first image must be labelled as follows...

099\_A\_Street food

And the second image ....

099\_B\_Something old

And so on to E.

Images F to J would be labelled for example....

099\_F\_your own title

Please do title your own choice images as this saves them from getting muddled up like they have before, and please note the underscore !!

Our judging will be on each image entered and will receive a score out of 20. We will give a bonus point to each of the top five images that catch our eye the most. We request that you enter your images no later than 13th November 2025 and send them to the usual club competitions email address, as we need some time to look at them before the competition night in December.

Members please remember you don't have to do this all on one specific day or time of the day, you can go as often as you like to get your images and could go at different times of the day, you could even team up with other members and car share if you wish to. The most important thing to do is..... have fun!!

We do hope you will find the time to take part in our challenge and we look forward to seeing your images.

Thank you so much

Bex and Lorraine 😊 😊
